

# Aký je obvod?

- Skopíruj tieto tvary na svoj 1cm štvorčekovaný papier.
- Aký je obvod každého tvaru?

7. Nakresli ďalšie dva vlastné tvary.

Aký je ich obvod?

8. Nakresli dva rôzne tvary s obvodom 12 cm.

Štart

Obvod je vzdialenosť okolo hrán útvaru.

Obvod tohto „L“ tvaru je 12 cm.

The diagram shows an L-shaped figure on a grid. The shape is 2 units wide and 3 units high. The perimeter is labeled with numbers 1 through 12, starting from the top-left corner and moving clockwise. The numbers are: 1 (top-left corner), 2 (top edge), 3 (top-right corner), 4 (right edge), 5 (bottom-right corner), 6 (bottom edge), 7 (bottom-left corner), 8 (bottom edge), 9 (bottom-left corner), 10 (left edge), 11 (top-left corner), 12 (top edge).
